## In the know...

As well as the famous Moscow Metro, there's a second "Secret Metro" in parallel with the official system. It was built to enable Party leaders to move around the city or go to the airport in secret. Its existence is still officially a secret, and the public are unable to see or visit it. Only some eccentric pedestrian subways and illogical station locations on the main system hint where the secret one is located.

In WW2 Stalin had an idea to invade Japan – by tunnel. He gave orders to build tunnels for troop trains from the Russian mainland, via Sakhalin Island, to Japan. It's estimated over 30,000 men – mostly convict labour - died on the project, which never got further than 8km. On the day Stalin died the workers killed their guards and escaped.

## No ordinary trip

At The Russia Experience we like to ditch the clichés, discard the puff and concentrate on what we do best – bringing to life the world's longest train route: the places visited, the encounters made and the realisation of a journey that is both engaging and rewarding.

We continually look at ways of enhancing the Trans Siberian experience, incorporating seasonal considerations (such as the Harbin Ice Festival), providing the historical context (pay a visit to the only remaining Soviet Gulag) or inviting you to savour the diverse cultural influences of indigenous people (sit down with a shaman, or enjoy the Siberian art of throat singing!).

We have no group departures, our advertised dates always operate (barring anything completely out of our control) and, above all, we will tell you it like it is – allowing you to make the right choice from a portfolio of journeys rich in variety and full of memorable experiences. Sorry! We couldn't resist at least one cliché!

# Experience Original Trans-Sib

full on itinerary – 9 days

Leaving from Moscow to  
Vladivostok

After spending two nights in Moscow you will then embark on a non-stop train journey through to Vladivostok. What this means is you will spend six nights/ seven days on board with no opportunity to disembark and visit any of the fascinating towns and regions you'll be passing through. We hope you consider strongly before booking this journey, our mantra at Russia Experience is "what makes these trips special is what's possible along the way in places that international airlines barely touch". The train journey might be interesting for completists - but you'll sail straight past "the good stuff" on this route!

## DAY 01

"S Priezdom! Welcome to Moscow!" Our driver will be there to meet you from whichever flight, train or boat you arrive. You'll then be transferred to the Panorama 3★ Hotel. The facilities available at this hotel include a Restaurant, Lobby Bar, Lobby Wi-Fi access, Luggage Room, Safety deposit boxes and an ATM machine. At check-in, (after 2pm) the hotel reception will advise you they will need your passport for visa registration. This process takes 1–2 hours. Your complimentary InfoPack is full of ideas for getting the most out of your free time. (Please note your Trans-Siberian train tickets will be delivered to the hotel during your two night stay.)

## DAY 02

After breakfast one of our local expert staff will meet you at the hotel to take you on a three hour walking tour round the highlights - you'll use public transport around the centre to avoid the traffic jams and get the hang of the system for when you come to use it independently. Our staffers are full of ideas for this walk but are flexible about other ideas if you have your own. Your walk ends in the city centre around lunchtime.

If you haven't pre-booked any of our range of city excursions the rest of the day is your own to explore further. Some of our top suggestions (please check opening times/days before setting off) would include visiting the Moscow Kremlin, the Tretyakov Gallery, the Pushkin Fine Arts Museum, or a boat trip along the Moskva River... perhaps locate some tickets for ballet, opera, circus or a concert this evening? As well as famous classical music traditions Moscow features on the touring schedules of world names in jazz, rock, pop and world music.

Breakfast

## DAY 03

Your morning is free until 12 noon when a driver is scheduled to take you to the station. Although there's a restaurant car service on board your train you may want to supplement this with some snacks, treats, and fresh fruit that you could buy today. Your transfer from the hotel to Yaroslavl station is scheduled for 12 noon, so please be at the hotel reception where your driver will meet you and will assist your boarding of the Vladivostok bound train.

Breakfast

## DAY 04–08

On board The Trans-Sib... travelling towards Vladivostok.

The dining car is the heart of social life on the train. It functions as bar, lounge, and take-out snack store, as well as a café serving reasonably priced meals. It is a great place to meet fellow travellers and locals alike, sharing your experiences of your journey so far with a few drinks, which no doubt will include some Vodka - and maybe smoked salmon and caviar too! Along the way you'll see astonishing Siberian scenery as the deciduous forests of the Ural Mountains slowly give way to Siberian pine forests.

The major landmarks are the great rivers you cross, including the River Ob at Novosibirsk (one of the most famous bridges on the route), and the gigantic Enisei River (at Krasnoyarsk). You pass by Lake Baikal, and finally past the River Amur (known in China as the Heilongjiang) and into the Primorye ("near the sea") Region.
