Leaving from St. Petersburg to Vladivostok via Irkutsk

Starting your trip in St. Petersburg gives you the opportunity to see the contrast between the imperial splendour and the soviet simplicity that existed both then and now. The Moscow-Vladivostok route appeals to train fans, completists, historians, and sometimes those heading to Japan too. You don't pass through Mongolia on this route, but you can (and do!) stop at Lake Baikal, with a choice of options (included) ranging from the active to the sedentary, and even the underwater! Other Siberian destinations (Ekaterinburg, Ulan-Uday) could potentially be added – contact us if you would like a sample price and itinerary for doing so.

In the know...

As well as the famous Moscow Metro, there's a second "Secret Metro" in parallel with the official system. It was built to enable Party leaders to move around the city or go to the airport in secret. Its existence is still officially a secret, and the public are unable to see or visit it. Only some eccentric pedestrian subways and illogical station-locations on the main system hint where the secret one is located.

Vladivostok is the terminus of the Trans-Siberian railway and also Russia's major Pacific sea port.

The Trans-Siberian route to Vladivostok was built between 1891 and 1916.

No ordinary trip

At The Russia Experience we like to ditch the clichés, discard the puff and concentrate on what we do best – bringing to life the world's longest train route: the places visited, the encounters made and the realisation of a journey that is both engaging and rewarding.

We continually look at ways of enhancing the Trans Siberian experience, incorporating seasonal considerations (such as the Harbin Ice Festival), providing the historical context (pay a visit to the only remaining Soviet Gulag) or inviting you to savour the diverse cultural influences of indigenous people (sit down with a shaman, or enjoy the Siberian art of throat singing!).

We have no group departures, our advertised dates always operate (barring anything completely out of our control) and, above all, we will tell you it like it is – allowing you to make the right choice from a portfolio of journeys rich in variety and full of memorable experiences. Sorry! We couldn't resist at least one cliché!

Visa Requirements

Visitors to Russia require a visa. This must be obtained prior to departure. Visa processing times can be up to:

It functions as bar, lounge, and take-out snack store, as well as a café serving reasonably priced meals. It is a great place to meet fellow travellers and locals alike, sharing your experiences of your journey so far with a few drinks, which no doubt will include some Vodka – and maybe smoked salmon and caviar too! Along the way you’ll see astonishing Siberian scenery as the deciduous forests of the Ural Mountains slowly give way to Siberian pine forests. The major landmarks are the great rivers you cross, including the River Ob at Novosibirsk (one of the most famous bridges on the route), and the gigantic Enisei River (at Krasnoyarsk).
